COUNTY PARKS AND RECREATION OFFERS RELIEF TO FIRE VICTIMS *Camping fees discounted and camping time limit extended*

Due to the tragic fires, the San Diego County Department of Parks and Recreation will be waiving the two-week stay limit at all county campgrounds and significantly reducing campsite fees for those residents displaced from their homes. Some campgrounds are still closed to the public; so interested residents should contact the department for more details.

All campsites for displaced residents will be \$10 per day through December 31, 2003. Displaced residents must contact the County Reservations Desk at 858-565-3600 to make a reservation at the discounted rate. The department also continues to offer other special rates for recreational campers. All interested parties should visit our website at www.sdparks.org or call the Reservations Desk, seven days a week, at 858-565-3600.
